

How to Download eBooks Directly to Your iPad & iPhone

1. Download the free Overdrive Media Console app from the App Store.
2. Open the app is opened for the first time, a pop-up box should appear. Click [Register at Adobe.com](#). If this pop-up does not appear, open the web & go to <https://www.adobe.com/account/account-information.html#myadobeid>
3. You'll be directed to Adobe's site. Choose [Create an Adobe Account](#) & fill in the required information. When finished, select [Continue](#) & close the Adobe site.
4. In the app, choose [Get Books](#), then [Settings](#) (at bottom of screen), then [Authorize with Adobe ID](#). Select [Authorize](#), enter your Adobe ID info & click [Authorize](#) one more time.
5. Select [Get Books](#) from the bottom menu.
6. Click on [Add a Library](#) (or it may also say [Add a Website](#)) & find the Homer Township Public Library.
7. Once you've added the library, click the Online Media of Northern Illinois Libraries (OMNI Libraries) icon.
8. Sign into Omni Libraries by selecting the Homer Library & entering your Homer library card number.
9. From there you can browse titles to download. Once you choose a title, click on [Add to Cart](#). Click [Proceed to Checkout](#) once you are done browsing, then confirm your checkout & download the title.
10. To access the book, open the app, click [Bookshelf](#) (in the upper right of screen), then tap the arrow located to the right side of the book's listing.
