Celebrating 20 Years of Community Service

SUMMER 2002

<http://www.homerlibrary.org>

FOCUS GROUP RESULTS ARE IN

Recently the Library held three half-day community focus group sessions. These valuable sessions were undertaken through a LSTA grant using federal funding which allowed us to bring in a professional consultant well-versed in the focus group process. Our intent was to hear directly from a sampling of our resident base about how you view the library and the many services we provide, as well as discuss future services, programs and the space necessary to have them.

Here's a brief re-cap of what we learned.

Services you feel are most important include: lectures, programs and educational classes; books & materials (including magazines); parent/teacher services; public meeting place/meeting rooms; reference/staff assistance; access to new technology; and being a literary and community meeting place.

Top 5 Future needs include: additional programs and classes; providing the newest technology and librarians able to effectively teach users, adding alternative/new formats such as electronic books, DVDs, etc; expanding the library to grow with the community; providing more business and reference support materials, and adding room to hold additional lecture series and programs with more support materials.

Increased marketing of our services and programs was noted as essential to alert you as to what we offer. Overall, focus group participants were enthusiastic as they helped us look to the future to examine the ways the Library can continue to improve services to meet the ever-changing needs of our community. The complete focus group report can be accessed from the Library Web site at www.homerlibrary.org. Log on for some interesting reading!

SUMMER READING CLUB

DID YOU KNOW? More children participate in Library Summer Reading Clubs than play little league baseball?

Join the **Rocking Reading Team** at Homer Public Library this summer! The Youth Services Department is ready to sign-on the best group of reading team members ever!

The Library's annual Summer Reading Club kicks off Monday, June 10th at 8:30 a.m. Preschoolers through adults are invited to come and register.

"Reading Rocks," is this year's summer reading theme. This statewide program encourages young children to keep skills sharp this summer. The summer reading club ends July 20th. There will be a wonderful finale program and recognition ceremony on Tuesday, July 30th.

"Summer reading is a great way to fill up those long June and July days," notes Kitty Mitchell, Youth Services Librarian, "It's also a chance to keep up and improve reading skills, so when it's time to hit the books again in the fall, kids can return to school better prepared."

Stop by the Youth Services Department and pick up your *Reading Rocks* program booklet. Join the reading FUN!

STAFF CHANGES AT THE LIBRARY

WELCOME

Welcome to Brian Smith, our new Head of Adult/Reference Services. Brian will join our staff July 1st and comes to us with much experience. We asked Brian to answer a few short questions:

Three words that best describe me:

"Not a plumber."

What people would be surprised to find out about me:

I once jumped out of an airplane in a tandem dive with an instructor named Fast Eddie. We fell for a mile and a half before opening up the 'chute.

Book/CD/Tape/Movie I've been recommending lately:

I like to read books that make me laugh. I particularly liked the novels *Moo* (Jane Smiley), *The Princess Bride* (William Goldman), *Thank You For Smoking* (Christopher Buckley), *Microserfs* (Douglas Coupland), and Douglas Adams' *Hitchhiker* books. I've always enjoyed Al Franken, Dave Barry, and P.J. O'Rourke.

I also like reading about natural history and rock music.

Hobby or favorite way to spend the day:

I enjoy riding on bike trails. Indoors, I'm trying to learn how to play guitar.

Drop in and meet our new Head of Adult Services!

FAREWELL

Farewell and best wishes to Michelle Meister who leaves our circulation department to pursue another position. We hope to see Michelle often as a regular library patron!
